Gathered Circle Skirt Worksheet

1. Gather Supplies

2. Measurements

You may find it helpful to tie a ribbon or string around your waist while you take your measurements. This will ensure your waist location is consistent.

- a. Waist circumference (loosely measure): _____
- b. Desired skirt length + hem: _____
- c. Pocket distance from waist: _____
- d. Desired waistband height: _____

3. Calculations

a. Waist Radius of Skirt:

Waist Circumference x 1.75

= _____ x 1.75 = _____

_____ / 6.28 = _____

_____ - 0.25" = _____

Waist Radius of Skirt = _____

b. Skirt Hem Radius

Skirt Hem Radius = (Waist radius of skirt) + (Desired skirt length + hem)

= _____ + _____ = _____

c. Waistband piece height = 2 x Desired Waistband height + 0.75"

= 2 x _____ + 0.75" = _____

d. Waistband Width = Waist Circumference + 0.5"

= _____ + 0.5" = _____

4. Draft & Cut

Required measures from page 1:

3a. Waist Radius of Skirt: _____

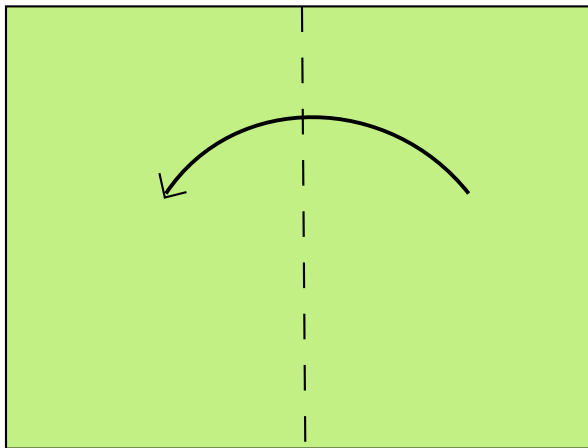

3d. Waistband Width: _____

3b. Skirt Hem Radius: _____

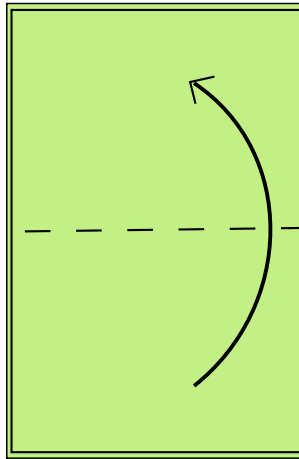

2c. Pocket Distance: _____

3c. Waistband Height: _____

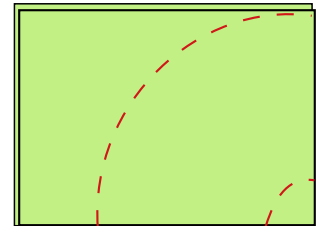

Fold Fabric:

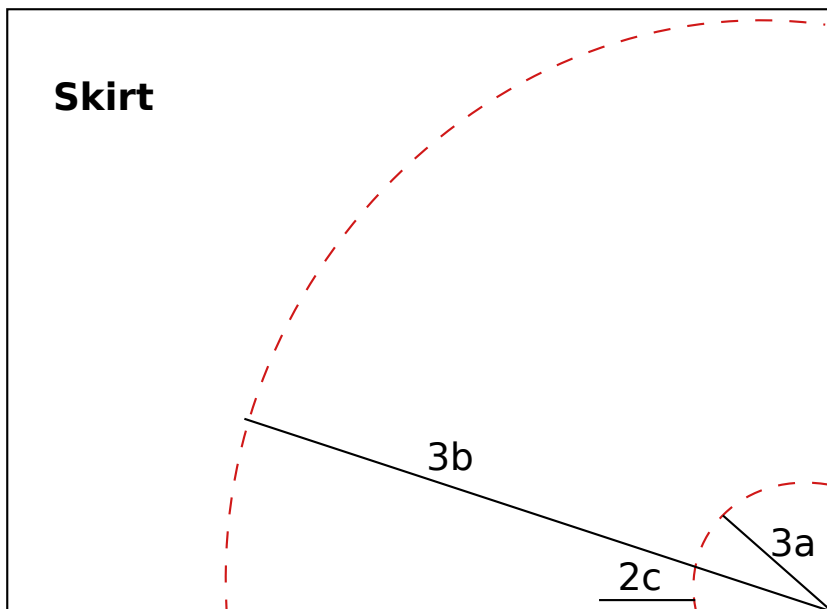

Fold in half

Fold in half again

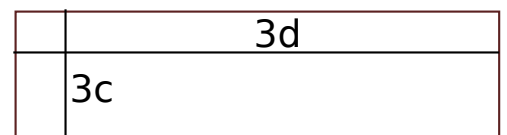

Draft pattern on fabric as shown (description below)

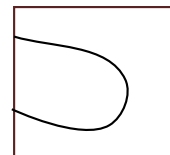

cut through all layers along this fold

Mark pocket here (all 4 layers)

Waistband

Pockets

Roughly trace hand at an angle. Cut 4.

5. Sew
